

Whispers in the Night

Cowboy Gunslinger Says: "Gangs" are here in Orlando! Ready "to restart war"!

That's right, you heard it here. A gun toting, cowboy hat wearing, Anarch threatens to take over a portion of the Toreador territory in Orlando. Refused to identify himself to the Seneschal Nora when asked directly, and continued to yell at everyone attending an Orlando Gather like he thought himself a Prince. Mentioned the treaty of thorns. Told us without so much as a conversation to the Prince that they were moving in and had already started proceeding. Claims multiple gangs are coming.

Breaking News!!

by: Lisper

Anarch "Leader" Walks into Angel's Share Distillery Demands !!Former Disney Praxis!!

Reports at the Monthly Gathering are that the Anarch Leader walked in and tried to declare Disney his. Seneschal and Harpy were not having any of it. Lisper showed him that the domain of Orlando was defiantly part of of rightful Camarilla territory. However he insisted that multiple gangs were going to over run Orlando and that there was nothing anyone could do about it!

Extra Extra Read all about IT! Multiple Gangs of Anarchs plan to infiltrate Orlando!!

Bus loads of anarchs coming to Orlando, trying to overthrow the Camarilla and take Disney by storm!

HUGE GANGS THREATEN CAMARILLA TERRITORY!

Large numbers of Anarchs are trying to steal territory from the Camarilla. You heard that right: Anarchs plan to just come in and take Camarilla territory by force. Have Anarch numbers have grown so strong that they can threaten to overrun and just take a portion of the legitimate Camarilla Praxis of Orlando? "This is absolutely not okay and something needs to be done!" says several Kindred who witnessed the interaction.
